

Neighborhood Housing Services of Baltimore, Inc.

March

Volume 1, Issue 2

Time for some Spring Cleaning!

- We are continuing to build futures through development and we have put our Kessler Court property up for sale. (For more information contact Sunny Cooper, Ext 23)

For more information on any of these exciting initiatives, or regarding any of our programs give us a call!

A special thank you to:

Black & Decker and 1st Mariner Bank for their generous contributions to our annual fund this month! Because of contributions like theirs the comfort of owning a home will no longer be a distant dream for some families.

February was filled with many highs for NHS of Baltimore. Aside from the day-to day activities that are keeping our staff busy, we have been making great strides on our quest for sustainable homeownership.

- We have launched our Emergency Bridge Loan Program aimed at foreclosure prevention in the State of Maryland. In it's first week of operation we made five loans to five families
- We are very pleased to announce that we are officially a CDFI Lender and we have been approved as a NHTSA Broker and a CDA Lender

NHS of Baltimore

We're Moving! - After many long years at our central office, we are moving out! We are excited to announce that our new office will be located at **819 Park Avenue**, please stop by and check out our new pad.
